Oregano, Sage and Rosemary Class – Term 1 Newsletter

Hello and Welcome!

We are excited to welcome both our existing nursery pupils who are returning as well as our new children. This term in nursery is about settling into the classroom and establishing rules and routines. There are some changes in staff for this year, the following adults are now working within our Nursery;

Mr Richmond – Nursery Manager/Teacher

Mrs Shergill and Ms Young – Class teachers

Mrs Parker, Miss Richardson, Miss White – Support staff

The children will find nursery days tiring at first as they adjust to our busy day. Our focus as staff is to get to know your children and find out what they enjoy, know and can do. We will be finding out what the children are interested in and taking our learning forward based upon their interests.

Learning in Term 1

This term we will be learning a new nursery rhyme each week.

Learning to sing new rhymes will help the children to develop their literacy skills as well as their social skills as they begin to share experiences with one another.

We will be exploring a range of activities focused around the following rhymes:

- Humpty Dumpty
- One, Two, Three, Four, Five
- Five Little Ducks
- Pat a cake

Clothing

Please remember to send a bag of spare clothes in with your child every day.

Please label your child's clothes with their name so we can quickly reunite any lost items!

Baby Photo

We are developing our home corner and would love to include photographs that are relevant to the children to help us talk about our families.
We would be very grateful if you could send us a baby photo you are happy for us to add to our display to the nursery email address: nursery@kings-farm.kent.sch.uk

Stay and Play

We are excited to be inviting you to do some Autumn themed activities with your child in the Nursery on Friday 23rd October. A letter with more details will be given out later in the term.
