Head of School: Mr Chris Jackson

16th March 2017

Dear Parents and Carers,

As you are aware, we are continuously trying to ensure that we keep you updated and informed about the subjects your children study at school. We would like you to become more familiar with the methods used to enable you to fully support your children with their work at home.

With this in mind, we would like to offer you the opportunity to attend a KS1 and KS2 Maths workshop in the summer term (half term 5). The aim would be to explain the methods used by teachers and provide you with examples you could use at home. We will inform you of the exact dates of the workshops once finalised.

Please use the slip below to indicate your interest and return to your child's class teacher.

Kind regards,

Mrs M Phatty

Assistant Headteacher

Name of child: _____

Class: _____

I will/will not be able to attend a Maths workshop (delete as appropriate).

Name: _____

Date: _____
