Dear Parents and Carers

Return to school for all pupils

Following on from the Prime Minister's announcement on Monday, all of the staff are delighted that all children can soon return to school.

We have just received a substantial guidance document from the Department of Education, which the Senior Leadership Team will be reviewing over the coming days. Once we have had the opportunity of fully examining the guidance and updating the school's risk assessment, we will write to you again with details about your children's return to school.

Please be rest assured that your children's safety and well-being will remain of paramount importance in our planning. In the meantime, I can confirm that the first day for all children to return to school will be Monday 8th March.

We can't wait to see all of the children back in school soon!

Kind regards

Mr Chris Jackson
Head of School
