Dear Parents and Carers

I am delighted to inform you that the Government has said that all children can return to school in September. Comprehensive new guidance has been issued; which we will follow to keep all children and adults as safe as possible.

We very much appreciate how you have supported your children at home over the last three months and we are looking forward to working with all parents and pupils to ensure a smooth return to school.

Our term starts on Thursday 3rd September 2020 and from this date school attendance will again be compulsory.

Before the end of term, we will publish the arrangements that will be in place to allow the children to return to school safely in September, including revised entry and exit procedures.

Please do not hesitate to contact us if you would like to discuss this further and we very much look forward to seeing you all in September.

Yours sincerely

Mr C Jackson
Head of School
