4th June 2020

Dear Parents and Carers

It has been lovely to see the children back in school and they continue to amaze us with how well they are settling in! I would like to thank you all for adhering to the new procedures that are in place before and after school and your support with these.

I am pleased to say that because of your support with the new procedures in school we are able to offer Breakfast Club from the 8th June 2020. Due to the social distancing requirements placed upon schools we are only able to accept 29 pupils at this time. Therefore, it will initially be available to the children of Key Worker families only. We ask that Key Worker families only use the service if it is needed to allow them to attend work, as this may allow us to offer Breakfast Club to other families in the future. We are currently reviewing whether we can offer After School Club and we will inform you when a decision has been made.

Breakfast Club for Key Workers will be available from 8:00am so please use the link below to book your child a place, the places will be allocated on a first come first served basis. We receive some funding for Breakfast Club and cereals, bagels and fruit juice (not cartons) will be free of charge. If your child requires toast, cartons of juice, hot drinks there is a small charge for these items and they need to be paid for in advance on the School Comms App (we can no longer except cash in school). When attending Breakfast Club, the children will enter the school site through the pedestrian gate and enter the school through the servery doors as normal.

Please make your booking using the electronic booking system. The system is web-based and can be found at the following web address: https://kingsfarm.parentseveningsystem.co.uk. When you first log in you will be asked to fill in your details exactly as you have previously advised the school e.g. Mrs Diane Fish. You will then be able to book your child into Breakfast Club.

As you know the school is now open to Key Worker Children and children in Nursery, Year R, 1 and 6. We would be delighted to welcome your children back to school so if they are in the year groups above and are not attending school, please do contact us by midday on Wednesday 10th June 2020 and we will arrange for them to start on Monday 15th June 2020. If you are unsure whether to send your child back to school, please call us and we would be delighted to discuss this with you.

To those children in Years 2, 3, 4 and 5 who are not currently eligible to attend school, the daily lessons continue to be set on the school's website. We really do miss you all and hope to see you all soon.

Kind regards
