7th December 2018

Dear Parents and Carers

As you will be aware, following the widening of the pedestrian gate we still need to arrange for a fence post to be removed and some additional tarmac to be laid. I am pleased to inform you that this work will commence on Saturday 8th December, where the fence post will be removed and the existing floor surface levelled. On the following Saturday (15th December) the final tarmac will be laid.

All of this work will be completed over the course of both weekends and the school entrance will operate as normal.

Please do not hesitate to contact me if you need any further information.

Kind regards

Chris Jackson
Head of School
