Executive Headteacher: Mrs Abigail Birch

Head of School: Mr Chris Jackson

16th July 2020

Dear Parents/Carers

Attending Nursery in September

Following updated guidance, the school will open for all children in September 2020. You should have already received a letter with your child's actual start date and from this date school attendance will be compulsory.

Morning Drop Off

Nursery children to arrive at school at 8.40am using the vehicle gate for the morning session, for the afternoon session at 12.30pm, please enter and leave the school via the pedestrian gate. Parents to social distance along the path outside the kitchen – **children will be taken from the parent at the door** whilst still keeping social distance – Nursery staff will assist the children with their coats etc, parents will then leave via the Nursery car park.

End of Session Collection

At the end of the session (11.40am morning session and 3.30pm for the afternoon session) children will be ready for collection – children will be released in order of parents (socially distancing) who will collect their child and leave via the Nursery car park.

There will be videos explaining the procedures above on the school website from Monday 20th July 2020.

Social Distancing

It is vital that everyone is kept safe during these times, so where possible please can only 1 person from each family enter the school site and please ensure that families leave the school site as quickly as possible and refrain from queuing and congregating outside of the school.

The above arrangements are subject to change if necessary.

We hope that you have a safe and happy holiday and we look forward to seeing you all in September.

Kind regards

Mr C Jackson
